# FAQ'S

BNW

## ◆ What is a moodboard?

A mood board is a visual tool that communicates our concepts and visual ideas. All clients are responsible for sharing a mood board prior to the shoot to communicate the specific theme and overall vibe of the desired photographs. Failure to do so is NOT the responsibility of the photographer and will reflect in your images. Pinterest boards and Instagram folders are welcome to convey the desired message.

## ◆ When will I get my photos?

You will receive your retouched photographs within 3-4 weeks of your photoshoot. You will be able to select your favorites from a client gallery and all images requested will be edited accordingly.

## ◆ How will I receive my images?

All retouched photographs will be provided in digital format through a client gallery. Prints are available for sale per request. Please see Additional Services for print prices.

**Let's create magic together!**

I am pleased you have chosen me as your portrait photographer to capture your special occasion, moment, or event. I pride myself on creating striking images of people where I'm able to capture their beauty, poise, and confidence through creative angles, symmetrical poses, unique fashion, and bold makeup. Hopefully, we could work together and create something beautiful and memorable for all photo-sharing moments to come.

**Best,**

**Bria Nicole Wood**
